

Highlights of the year

The swimteam

Our fishes are back in the water quicker than ever... they trained hard and won the competition of local schools again. They also got new cool swimsuits... do you like them?

play, play, play and spend, spend, spend. Our dramaclub made a show for charity and they got 825 dollars to spend. And I think we can all say "well done" and "we're proud of you".

The dramaclub

The lovely volleyball girls

Samantha

New balls and new uniforms again. But that's not all. Look at the trophies they got. And we're never gonna forget the last attach from Samantha.

Sofia

Ahh... were should I start... Our two exchange students from Portugal, Sofia and Carla. I think we can all say that you guys made this year better and we're gonna miss you. Hopefully we see you very soon again!

Carla

Our talented cheerleaders

Oh wow, these uniforms are stunning.
Our three new girls Emma, Cioe and Sarah.
designed them.
Aren't they great?

The football game

The game of the games... Everyone remembers that night...
the crowd was loud and excited, the cheerleaders
were fantastic and our football team won for us
the competition.

Museum's trip

I think we can all agree that we're never gonna forget that one
funny trip to the museum.
Jenna and Marie were lost and Emma and Josh got in trouble
for nothing hahaha.
And more, but I think that's not good for this yearbook...

Orchester practice

5 new members:
1 saxophonist Joe,
2 violists Lisa and Amber,
1 keyboard player Lars,
and 1 clarinet, Ludwig.
Big shoutout to them
and welcome to the orchester!

Finally everyone looked great.

Ulala... that was a hot night.
The lovebirds were all around.

Our beautiful
couple.

What a beautiful time.
